Contest Criteria

Please verify (by checking the box) that this submission meets the eligibility criteria:

- ☐ I (the student) am the first author, have written the paper, and have done the substantial majority of the work
- ☐ The paper contains a mature, significant contribution
- ☐ The submission consists of a clear, polished manuscript of no more than 6 pages
- ☐ If chosen as a finalist, I (the student) will register for the conference and present my work during the conference to a panel of judges. This may be in-person or remotely. The presentation will be in the same format as the lecture session presentations.
